COOL FLAME

BOX 1800 THREE SIDED

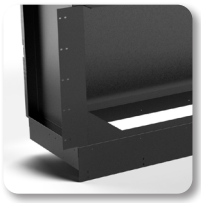
for Water Vapour Fireplace with Lumisty

READY-MADE RECESS FINISH

A complete solution that defines proportions while adding architectural depth and a well-considered structure to the wall. The ready-made box reduces installation time and delivers a cohesive, refined visual result.

SEAMLESS MATERIAL INTEGRATION

Designed to ensure harmonious and effortless integration with finishing materials, decorative surfaces, and fireplace cladding. The box naturally blends into the wall architecture, creating a unified interior composition.



PREMIUM CRAFTSMANSHIP

Crafted from high-grade materials with precisely finished edges, the fireplace box reflects a refined level of craftsmanship and attention to detail. Clean joins, sharp lines, and durable finishes enhance the overall architectural quality of the installation.

MINIMALIST FLAME DISPLAY

A dark, contrasting background enhances the flame's appearance and visual impact. The enclosure removes visual distractions and unwanted ceiling reflections, keeping the flame in an elegant recess and as the interior focal point.
